DUKE OF EDINBURGH'S AWARD SCHEME

**EXCHANGE PROGRAMMES**

The School provides placements for students in Round Square Conference member schools in other countries - helping the students learn about new cultures... and enabling them to become world citizens with a global perspective.

*Nature and extent of exchange programmes*

There is a tradition of student exchange with different schools of the world. Generally these are Round Square schools. The purpose of these exchanges is to let the students have an international exposure and help them appreciate varied cultural diversities around the globe. It bridges the cultural gaps and allows healthy educational compatibility.

*List of schools with which exchange programmes are in place*
